Celebrating Generosity

One of the ways we give thanks to God at Avondale UMC is by meeting God's generosity with our own. You may use the QR code to the right to make an electronic donation. The Connection Card is a tool for offering to God our acts of discipleship throughout the previous week. It's also a place to share with the pastor any prayer requests. You may use the "Connect with Us" QR code on the second page to fill in an e-connect card. As the offering plate comes your way, we

encourage you to connect with your nearest neighbors. Let's celebrate the many ways we can connect with others at Avondale UMC!

As United Methodists, we believe in open hearts, open minds, and open doors. The congregation of Avondale United Methodist Church in Kansas City, Missouri, is open to all of God's children. We welcome, include, fully affirm, and celebrate the lives of all people. People of all physical and mental ability, race, ethnicity, age, gender, gender identity, gender expressions, family structure, marital status, socio-economic class, faith history, and sexual orientation are welcome, affirmed, and loved here. We believe that all individuals are created by love in God's image. As a Reconciling Ministry Church, we strive to create a safe space and a community that enriches the life of each person. We embrace our diversity and invite all to be a vital part of our church family and ministry.
